"Brownman Ali... one of
the greatest interpreters
of Miles Davis' work in
Canada today"
- *Hamilton Spectator*

MILES DAVIS

"Miles Davis...
whose haunting
tone and ever-
changing style
made him an
elusive
touchstone of
jazz for four
decades"
- *New York Times*

"Miles Davis
played a crucial
& inevitably
controversial role
in every major
development in
jazz since the
mid-'40s,...Miles
was the most
widely
recognized jazz
musician of his
era, an
outspoken social
critic and an
arbiter of style --
in attitude and
fashion -- as well
as music."
- *Rolling Stone*
