Under the leadership of JUNO nominated and 10X Global Music Award winning jazz pianist NICK MACLEAN, SNAGGLE is an electric-jazz-funk ensemble often described by media as "Canada's answer to Snarky Puppy". The group features as its frontline the all-star horn duo the ALI BROS: BROWNMEN ALI (Guru, Jay-Z, Randy Brecker) and MARCUS ALI (Matt Dusk, Jason Wilson, Mr Something Something) alongside some of the Toronto's top-tier electric jazz players: JAY YOO on guitar, MATT GRUEBNER on bass, and ADAM MANSFIELD on drums. Sporting an all-original repertoire the group has a fearless and muscular yet introspective sound likened to a cross between electric-era Miles Davis and Rage Against the Machine that swings their live show from quietly contemplative all the way to explosively fierce - sometimes all within the same tune. Not a group to be missed!
